## **ANNUAL BANQUET 2012**

### **Thursday January 12th**

Everyone receiving this announcement is invited to the annual feast. But time to reserve a place is running out. Please note that the deadline is Friday, January 6th.

Our speaker for the evening is David Nicandri. He'll be introduced by Guild president Jodee Fenton. The recipient of our annual award (and plaque) is Prof. John Findlay who will be introduced by Lorraine McConaghy. Please come early for drinks, hard or soft, and the social hour.

The banquet flyer is online

at: <http://www.pnwhistorians.org/banquet/PNWHG%202012%20Banquet%20Invitation.pdf>. You'll find answers to everything you want to know there.

This is also the evening of our "shock and awe" annual business meeting and the evening when we meet our newest board members, Brian Gann and Julia Swan. Additional candidate names can be offered from the floor. For the first time there will also be a raffle.

If you feel you do not want to drive or can't, we will arrange for car pooling wherever possible. Please call Jodee at 206 383-9016.

## **Membership Renewal**

We have scheduled, in addition to the banquet, our full series of monthly speakers in 2012 beginning in February. The spring conference about the 1962 World's Fair, we are certain, will be a specially memorable event.
