Annual March Conference----Saturday, March 6th

The Guild is again presenting a day of distinguished speakers on an important Northwest theme. the region as a border land. There will be morning and afternoon sessions plus a luncheon speaker. Please see attachment.

Registration is now in progress and as in previous years, we are space limited at MOHAI to only about 130-135 attendees. This forced us to turn away some late registrations last year. Those planning to attend need to be aware of the space limitation at the museum.

Please note in the attachment that fees increase for registrations postmarked after February 28th.
